

JAGUAR GEAR - ACCESSORIES

JAGUAR E-PACE

THE ART OF PERFORMANCE

NEW JAGUAR E-PACE

EXPERIENCE JAGUAR GEAR

Your New Jaguar E-PACE was designed to handle every twist and turn flawlessly and elegantly. With this in mind, our exclusively designed range of Jaguar accessories will live up to your high standards and maintain the aesthetics of your Jaguar. We offer a wide range of stylish and practical interior and exterior accessories to suit every lifestyle, whether you're looking for design features, carrying components, wheels, or wheel accessories.

METICULOUSLY DESIGNED AND ENGINEERED

Jaguar accessories are engineered by the same team who designed the car itself. They are the experts who understand every intimate detail of your Jaguar. Their expertise allows them to create accessories that complement its overall design, while optimising performance.

TESTED TO THE HIGHEST STANDARDS

All Jaguar accessories are rigorously tested and inspected to ensure absolute quality and lasting driving pleasure. They meet the exacting standards you expect from Jaguar while working in total harmony with your car. Accessories are tested in extreme hot and cold temperatures to ensure they will perform in all conditions, year round. Corrosion resistance testing ensures accessories can withstand demanding climates such as coastal conditions, while a series of tests ensures seamless integration with your Jaguar's existing safety features.

Accessories are also put through their paces via bespoke testing specific to their design, function and the materials from which they're made. Exterior accessory testing, for example, includes:

- Exposure to up to two years of direct sunlight known as 'Florida Weathering'
- Heat Ageing Test for 500 hours
- Extreme Heat Test ranging from - 40°C to 80°C
- Heat Shock Testing during which parts are cooled to - 40°C for 16 hours, then heated to 70°C for 5 minutes
- Humidity Resistance Test where accessories are subjected to 168 hours at 48°C in 95-100% humidity
- Accelerated Environmental Cycle Testing comprising a relentless barrage of salt, dirt and dust to simulate a lifetime of real world driving.

QUALITY ASSURED

For additional peace of mind, all Jaguar accessories come with a minimum 24 month warranty. Or can be covered under your vehicle's existing warranty if they're purchased within the first month of ownership or 1,000 miles (whichever comes first).

NOW IT'S PERSONAL

If you drive the unmistakably sporty E-PACE, then you're probably not looking to blend in with the crowd.

Jaguar Gear builds on the unique style of Jaguar's first compact SUV - making it more capable, more stylish, more yours and most importantly, more you.

This brochure will help you enhance and personalise your E-PACE, inside and out - to fit your lifestyle perfectly.

FUNCTION AND TECHNOLOGY

UV Sunshade

Tailor-made for the E-PACE windscreen and features Jaguar branding. Reflects the sun's rays and helps to keep the interior of the vehicle cool.

Sunshades - Rear Window

Easy to install and remove, these clip-in sun blinds fold for convenient stowage. Supplied with Jaguar branded stowage bag.

Sunshades - Side Windows

Easy to install and remove, these clip-in sun blinds fold for convenient stowage. Supplied with Jaguar branded stowage bag.

Centre Armrest Cooler/Warmer Box

Food and drinks cooler and warmer that acts as a rear centre armrest. With a leather covered top, it is held in place by the centre seat belt and powered from the rear auxiliary socket. Ideal for long journeys with the family.

Seat Back Stowage

Convenient seat back stowage provides a neat stowing solution in the cabin area. Contains multiple compartments for stowing small/handheld items.

iPhone® Connect and Charge Dock

The iPhone connect and charge dock has been designed to charge utilising the cup holder space in the central console.

Premium Seat Back Stowage

Bespoke seat back stowage offered in a premium high quality leather material provides a neat stowing solution in the cabin area for small/handheld items. Features embossed Jaguar branding and high quality synthetic materials for interior compartments.

CLICK AND GO

Click and Go - Base

The Click and Go range is a multi-purpose seat-back system for second row passengers. The versatile Click and Go Base fixes between the headrest mountings and further attachments can be added to hold tablets, bags and shirts or jackets.

Click and Hang

The Click and Hang is part of the Click and Go range. This removable coat hanger allows shirts or jackets to be kept crease-free whilst transporting. Also includes an integral hook for use outside the vehicle.

Click and Hook

The Click and Hook is part of the Click and Go range. This universal hook creates extra storage space for items to be hung, especially useful for handbags or groceries.

Click and Play - iPad® 2-4

The Click and Play holder is part of the Click and Go range. This removable tablet holder attachment can easily be positioned at multiple angles for in-cabin comfort and rear entertainment.

THE GREAT ESCAPE

For extra convenience, owners can lock their key fob inside their vehicle and wear the activity key wristband, alleviating the need to carry their conventional key fob. The wristband is lightweight, robust and fully waterproof allowing customers to participate in a range of activities, then regain access back into their own vehicle. Conventional key fob is deactivated for total security.

Product shown in the image above is the Activity Key.

TOWING

Electrically Deployable Tow Bar

The E-PACE bespoke towing system is optimised to work alongside the Trailer Stability Assist traction control system. This system detects when a dangerous trailer sway situation is developing and helps to regain control by gradually reducing speed through cutting engine power and applying the brakes. The towing system features an electrically deployed tow ball offering towing capacity of up to 1,800kg, 100kg nose load. The electrically deployable tow ball has been designed to fit discreetly behind the bumper, providing a clean attractive finish.

Detachable Tow Bar

The E-PACE bespoke towing system is optimised to work alongside the Trailer Stability Assist traction control system. This system detects when a dangerous trailer sway situation is developing and helps to regain control by gradually reducing speed through cutting engine power and applying the brakes. The towing system features a detachable tow ball offering towing capacity of up to 1,800kg, 100kg nose load. The detachable tow ball has been designed to fit into a dedicated stowage area under the luggage compartment floor when not in use.
